

Getting Smarter about Security

Presentation by: **Chris Miles, ACI World**
Presented by: **Jennifer Sullivan, GTAA**

ACI World – Who we are

- Our mission is to promote the collective interests of the world's airports and the communities they serve
- By the numbers
 - 590 members
 - Operating 1,850 airports
 - 173 countries
 - 95% of the world's passenger traffic.

ICAO Priorities

- Cyber Security
 - International Cooperation
 - Agreement – ICAO, ACI, IATA, CANSO, ICCAIA
- Remotely Piloted Aircraft (RPA)
 - Obligations, Regulations and Intergration
- Harmonization of Security Measures
 - Challenging issue
 - Competency and adherence to standards vary

Non Passenger Screening

- Implementation of Regulations differ
 - The one universal standard cannot be universally applied
- Europe – European Commission (EC)
 - 100% NPS for over 5 years
 - EC continually refining requirements
 - Biggest challenge is money and time
 - CDG – 600 trucks and 50 K9 Teams

Getting Smart about Security

- All about collaboration, MOU with IATA on:
 - Security access and egress
 - Automated Border Control
 - Smart Security
- Smart Security
 - Risk Based Security Concepts
 - Next Generation Security Methodologies
 - Passenger identification and process innovation

Challenge the status quo

- Are there opportunities to change?
- Non Passenger Screening
 - Can we do this better?
 - Can we apply more risk based differentiation?
 - Can we apply the lessons from primary passenger screening
- Get involved
 - Engage with your association
 - Learn from fellow members
